

MagnaPlay™ strives to educate children of all ages and facilitate their creativity with its full line of magnetic activities. Children are known to have a short attention span and get bored very soon with their activities. The MagnaKase™ offers a very significant advantage as it is an open-ended toy when combined with other MagnaPlay activities designed for the MagnaKase. Children can engage themselves in different activities within a short period of time especially while on the go.

MagnaKase is a patent pending, compact, durable case that is perfect for play at home or on the go. The magnetic, dry-erase surface of MagnaKase accommodates a full line of MagnaPlay activities and, when finished playing with, can be conveniently stored and transported inside the case. MagnaKase will fit easily into any standard-sized backpack. With the design, multiple activities and portability of MagnaKase, children are sure to have fun, anywhere, anytime.

MagnaKase Magnetic Dry Erase Activity Case

Sturdy Magnetic Dry Erase Activity and Storage Case for use with MagnaPlay Magnetic Activities.

The 13" x 11.5" x 2.75" hinged case is made of high grade plastic and has built-in handle and latches which make it convenient for children to tote along anywhere. Although only the front of MagnaKase comes with a magnetic surface, there is an option to add the second magnetic side for an extra charge. The MagnaKase is manufactured in the United States and is Patent Pending. Additionally, it is a child safe toy without any lead or magnet hazards. MagnaPlay activities are sold separately.

Color Options: Blue, Red, Navy

Recommended ages: 3 and up

MagnaKase Wooden Magnetic Dry Erase Activity Box

Durable Wooden Magnetic Dry Erase Activity and Storage Case for use with MagnaPlay Activities.

The MagnaKase Wooden Magnetic Activity Box is a sturdy wooden box with magnetic and dry erase surfaces, and serves both as an activity board and storage case. The 11-3/4" x 9-1/4" x 2" box is made of renewable wood and has brass hinges and clasp. The MagnaKase is manufactured in the United States and is Patent Pending. It is a child safe toy without any lead or magnet hazards. MagnaPlay activities are sold separately.

Recommended ages: 3 and up

MagnaPlay™ Magnetic Coloring Travel Set

Magnetic coloring travel activity set that will offer endless fun for children while on the go.

The MagnaPlay Magnetic Coloring Travel Set comes with a sturdy MagnaKase (13" x 11.5" x 2.75") that is made of high grade plastic. The hinged case has built-in handle and latches which make it convenient for children to carry along with their favorite coloring pages, crayons, color pencils and markers. The set also includes 4 double-sided reusable Color and Erase coloring sheets, 6 Foohy Washable dry erase, low odor broadline markers (Sanford Corp), and 1 sponge eraser. You can choose either the "Search-A-Word" or "What's Wrong with this Picture" coloring sheets.

Color Options: Blue, Red, Navy

Recommended ages: 3 and up

MagnaColeraze Reusable Coloring Puzzle

Reusable Color and Erase Coloring activities that help children develop their creativity while having endless fun.

These Color and Erase sheets let children color the pictures and solve the puzzle over and over. These sheets are laminated with sealed edges making them water proof and protecting them against liquid spills. The wipe-clean and reusable feature offers years of enjoyment and a great value. They have magnetic strips, enabling their use with the MagnaKase while traveling or at home. Children can even play with them on the fridge or any similar metallic surface! This set includes 4 double-sided laminated coloring sheets. These Color and Erase sheets are manufactured in the United States and are child safe without any magnet hazards.

Recommended ages: 3 and up

The MagnaKase works great for coloring activities while on the go. Children can use the top of the case as a dry erase activity board. The MagnaKase comes with two magnetic strips that secure coloring pages to the activity surface, for coloring with crayons, color pencils or markers while on the go. Coloring pages and markers can be stored in the case. The MagnaKase can also be used with our MagnaColeraze Reusable Color and Erase sheets that are specially designed for it.

Wooden Magnetic Products

We manufacture various wooden magnetic toys and activities designed for use with the MagnaKase, an activity and storage case, while traveling or at home. These educational activities help children develop vocabulary skills such as alphabet identification, spelling, word building, and basic math skills such as number identification, counting, number word recognition, matching etc. Look for our MagnaWord and MagnaMath Series of products.
